

Peers Against Tobacco: How to send Environmental Scan (STARS) surveys

For STARS surveys, there are two options to send us your completed survey.

Option 1: Scan both sides of the STARS survey and email as a pdf attachment to Hien Nguyen at hiennguyen@utexas.edu

Option 2: If you are unable to scan the survey, please contact Hien Nguyen at hiennguyen@utexas.edu and we will send you a self-addressed stamped envelope.

You may always contact the PAT team (peersagainttobacco@gmail.com) if you have questions.
