

## Default Question Block

# Hot Spot Survey

### *What is a "Hot Spot"?*

As you walk around campus, notice any places that are consistently (at least 2 times) surrounded by a group of people using tobacco/nicotine products? If so, this is a "Hot Spot".

Use this tool to document these places.

**\*\*Complete this form after you've done at least 2 campus scans.\*\***

Please select your school's name.

School:

Today's Date (mm/dd/yyyy)

Where is the "Hot Spot" located on your campus?

Building Name (Please enter official name of building):

**Tobacco Policy Signage**

Is there tobacco policy signage posted around this hot spot? (e.g. "No Smoking", "No Tobacco", or "This is a tobacco-free campus?")
